I have appointed you as a PROPHET to the Nations, you shall go where I send you! Jeremiah 1

March 2016

Dear Partner,

Welcome to March! ***WE ARE MARCHING IN MIRACLES!*** We take the limits off of God because He has taken the limits off of us. God is full of miracles! Jesus in His earthly walk had a constant flow of miracles that never ran out. He ministered to multitudes for days in a row and always had an abundance of healing, food and miracle demonstrations. **It's time we get back to a walk of DAILY MIRACLES!**

Then the Lord said to Moses, "Behold, I will rain bread from heaven for you; let the people go forth, gather what is sufficient for every day....."

Exodus 16:4

And Jesus taught us to pray this: Give us this day our daily bread.

Matthew 6:11

Go back and read those verses again. The manna in the wilderness was **God's Daily Miracle Provision Plan**. When they went out and gathered their daily miracle, they always had enough! Have you been going out and gathering your miracles? When you start each day looking for miracles and end each day talking about the miracles that happened, you are renewing your mind to live a **miracle lifestyle**.

In addition to the ministry that takes us all over the world, Cyndy has a travel business that allows us to help people take vacations and get RESTORED and REFRESHED. Cyndy helps ministers take much needed vacations. She also does Destination Weddings, amazing honeymoons and sends families on great trips! Just from being a part of the travel industry, we have been blessed with FREE STAYS at some awesome 5 star All Inclusive Resorts, we have won cruises, and God has used this as an area to help us bless others. Just yesterday, Cyndy won something from one of the cruise lines. It's miraculous! Our friends say "You always WIN TRIPS!" We respond -

"Yes, that always happens to us!"

We don't live in a tent like the Israelites in the wilderness, and we don't have to get up every morning to go outside and pick up what we find in our yard, thank God. BUT it's the same **God of Miracles** that brings us our **daily bread** and **we have to go and gather it up.** You need to be getting up EVERY MORNING and opening up your Bible which is your daily manna - living bread. Put God's words in your mouth and come into agreement with your miracle flow! **Make a shift today toward DAILY MIRACLES!**

Say this:

- All my bills are paid
- All my debts are cancelled
- All my needs are met exceedingly abundantly
- Today amazing opportunities open up for me
- Today I have tremendous favor on my job
- Today I am blessed in everything I do

Thank you for being a part of our ministry, your partnership and your prayers mean so much to us. We are releasing our faith for you and your miracles. Thank you for being a part of the miracles God is doing daily! **We are sowing for miracles, how about you?** An easy way to sow into Nordyke Ministries is to give online at NordykeMinistries.com We are all in this together and we appreciate you in helping us in **REACHING NATIONS & GENERATIONS!**

DAILY MIRACLES HAPPEN TO US!
